Message #1 - The Acknowledgement Message

Hi John! Thanks for the like/comment on my post! Your engagement is always appreciated!! That post was inspired by some strategies I’m learning from a group of professionals who teach the rules of the wealthy. We may barely know each other (outside of FB), but I refuse to keep it to myself! Have you ever heard of Income Shifting? (Wait for a response...)

Basically, it’s the “rules of the wealthy” that they never taught us in schools. Finally, we can learn the money game without getting in debt to do it! Lol I’m working with a group of professionals who have mastered it and since we always engage on each others posts, I think you’d appreciate it more than most. I tell my friends all the time, if we can scroll a timeline for 30min, we can take 18min to learn how to get wealthy lol. You have 18min between tonight and tomorrow, don’t you?
